Health Information for Cool August Nights Competition

In an effort to make all the required paperwork, and it's a lot, more easily communicated and understood please see below. The vaccination and out of state information remains the same. The mandated USEF and CA State VSV protocol is what is currently needed and requirements may change as hopefully the virus situation lessens.

USEF Vaccination Rule:

Per USEF GR844 Equine Vaccination Rule; all Equine entering this competition must provide with their entry, proof of current flue/rhino vaccination within 6 months of the show BUT should be no later than 7 days before the show. If providing proof of vaccinations from your veterinarian it must be on veterinarian's letterhead.

Out of State Horses

Horses entering the State must be accompanied by a certificate of Veterinary Inspection (Health Certificate) issued by an accredited veterinarian within 30 days of entry into the state.

CURRENT USEF PROTOCOL FOR VESTICULAR STOMATITIS VIRUS (VSV) FOR ALL HORSES FROM AFFECTED STATES

THE FOLLOWING DOCUMENTATION MUST BE SUBMITTED BEFORE ENTERING COMPETITION GROUNDS

1. Timed Official Certificate of Veterinary Inspection (Health Certificate) for horses from VS Affected State(s): Must be accompanied by an official Certificate of Veterinary Inspection (CVI) which includes a VS statement and issued within 5 days of entry to competition grounds by a licensed veterinarian who has examined the horse. Only state issued/ approved official CVI document shall be accepted. Sample statement: *"I have examined the animal(s) represented on this certificate of veterinary inspection and have found no clinical signs of vesicular stomatitis and they have not originated from a premises under quarantine for vesicular stomatitis"*
2. A 3-day temperature log with temperatures taken twice daily prior to arrival is required. The log can be found on the next page in prize list. The temperature log must be shown at time of arrival and continued with twice daily temperatures taken for the duration of the horse's stay on competition grounds. This temperature log must be available upon request by the Technical Delegate, show staff or competition veterinarian.
3. Required Onsite Veterinary or designated individual examination of all horses from VS Affected States for vesicular lesions at time of entry to venue. No horse will be permitted entry to stabling, schooling, or competition area without veterinary examination. Arrival times for all horses shipping in will be emailed to competitors 5 days prior to competition.

FAILURE TO PROVIDE THE ABOVE DOCUMENTATION FOR YOUR HORSE(S) OR ARRIVAL NOT AT SPECIFIED TIMES WILL RESULT IN DENIED ACCESS TO THE SHOWGROUNDS.

Biosecurity Protocol:

1. For stabled horses, temperatures must be taken twice daily and recorded on the provided temperature log. TD's and official staff will be checking temperature logs on all horses. Warnings will be given if temperature logs are not properly kept or provided upon request. The normal body temperatures for an adult horse stands anywhere from 99 to 101.5 degrees Fahrenheit. A spike in temperature above 101.5 degrees Fahrenheit could be a cause for concern Your horse will be referred to the designated isolation stabling on site for isolation. Failure to maintain temperature logs will result in expulsion from competition with no refunds.
2. Examine your horse frequently for hypersalivation(drooling) and vesicles (blisters) on the lips, muzzle, tongue, ears, teats, sheath and coronary bands. Report any signs to competition management immediately.
3. Avoid allowing your horse to graze while on the show ground.
4. Remove manure from the stall as soon as possible to minimize fly vector breeding areas.
5. Keep stabling area clean of spilled feed and hay.
6. Minimize fly vectors though use of fly wipes, sprays, foggers and other repellents for use on animals.
7. In addition to monitoring temperatures, be aware of other signs of illness. While fever is the first sign of potential infection in horses, other concerning signs include nasal discharge, coughing, or respiratory changes, diarrhea, or neurological signs such as incoordination, urine dribbling or changes in mentation. Isolation is the key to stop the spread of any illness to other horses. Contact Meaghan Mallory at 805-479-0101 immediately if your horse shows signs of illness so immediate action can be taken to isolate your horse.

THIS PROTOCOL IS SUBJECT TO CHANGE BASED ON NOTIFICATION BY USEF AND THE STATE OF CA

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Rev.1/4/2021

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

find out more about dressage ... join the california dressage society

What is the California Dressage Society?

It is an organization whose purpose is to foster an interest among horsemen in Dressage. The program of the Society is educational, designed primarily to offer a framework in which individuals can progress with the schooling of themselves and their horses.

How does one foster an interest among horsemen in dressage? Since dressage is a personal challenge, to initiate a real understanding, a person must start with only a mere inkling of what it might be and must follow with an insatiable desire and definite pursuit to find out what it really is.

CDS is an opportunity - to share, to experience, to learn and to contribute. But the Society is by its very nature, limited, for it is a composite venture into a highly individualized world. The society does open the door. But it is the individual who must take the step.

What does the Society offer?

Educational activities on a statewide basis includes Riding Seminars, Instructor Seminars, National Symposiums and Judges' Forums. The local chapters sponsor clinics, competitions, films, discussion and informal schooling sessions.

Dressage Letters, the monthly publication, offers educational literature ranging from book reviews to commentary by notable horsemen along with a complete calendar of all CDS events.

The **CDS Omnibus**, yearly publication, offers dressage show premiums and entry forms for your convenience in planning and entering shows for the year.
